

DRIVEN TO DO MORE FOR YOU

HINO **ADVANTAGE**

OUR INNOVATIVE RANGE OF SUPPORT SOLUTIONS

MORE SUPPORT, MORE SOLUTIONS, MORE FOR YOU

The day you purchase your Hino truck is not the end of our relationship, it's only the beginning. We'll be by your side for the long road ahead, helping make it a profitable and satisfying journey. With over 50-years of experience in Australia and our long standing Toyota Motor Group Company association, we've developed a range of support solutions. This comprehensive program - Hino Advantage - guarantees you access to innovative business-building benefits. We can help extend the life of your vehicle, increase your operational efficiency, save the day in case of emergency, and more. Hino Advantage will continue to evolve to keep your business driving ahead.

Quality, Durability and Reliability (QDR) are the principles the Hino reputation and name are built on. Every new Hino truck is conceived, designed and engineered under these brand attributes. All components undertake extensive R&D to ensure performance and longevity. This constant drive to be the best is what sets you up for the long run, and sets Hino apart. No wonder Hino have recently claimed a tenth consecutive class victory at the legendary tough Dakar Rally.

HELPING YOU MAKE SMARTER BUSINESS DECISIONS

With Hino Advantage, we're here to help you run your business more efficiently and profitably with Hino Traq – our innovative telematics system. Now you can be linked to your trucks or fleet 24/7 in real time, receiving reports on everything that counts. With Hino Traq you'll get reports delivered to your device on fuel efficiency and optimising safety, analysing and comparing driver performance plus up to the minute, pinpoint-accurate truck locations. It offers a wealth of associated fleet intelligence which, when harnessed and cross analysed, can dramatically improve your operational efficiency and business decision making.

ALWAYS AT YOUR SERVICE

Top quality servicing can deliver longer vehicle life and lower operating costs. It's a great business advantage that your authorised Hino dealer specialises in. Every Hino service technician is highly trained and skilled. With the aid of the best diagnostic equipment, they're dedicated to keeping your truck running stronger for longer. You can locate them at over 60 service centres and dealerships across Australia. For even greater peace of mind, we also offer a set monthly fee Service Agreement, plus the opportunity to extend to a 5 Year Warranty. Plus, Hino is the only truck manufacturer to offer Capped Price Servicing across the entire range.*

*Service offer applies to all Euro 5 models onwards and is available only at participating Hino dealerships. Pricing will be reviewed on or before 31 December each year and Hino Australia will publish the Hino Capped Service Price that will apply from 1 January the following year on www.hino.com.au. For details on pricing, items not included in the Capped Service Price and full terms and conditions visit www.hino.com.au/service/

A GENUINE OPERATING ADVANTAGE

Insist on Hino Genuine Parts and drive harder for success. Every part is designed, calibrated and tested to factory standards – guaranteed to fit first time, every time - and to do the hard yards, without letting you down. Hino Genuine Accessories are engineered to these same high-quality principles. You can rely on them to perform, no matter how tough the operating conditions. When fitted by an authorised Hino dealer, both Hino Genuine Parts and Accessories are fully covered for parts and labour for three years* however many kilometres you do.

*Please see website for full terms and conditions on 3 years unlimited kilometre parts warranty and accessories warranty.

THE GROUP DRIVEN BY INNOVATION

Providing industry leading customer care drives us at Hino and our dealer network too. There are over 60 Hino service centres and dealerships all over Australia ready to help build your business.

Hino Australia is also proud to be part of the Toyota Group of Companies – a world leading customer and service-focused corporation. For example, One Toyota – that's Hino Australia, Toyota Fleet, Lexus, Toyota Material Handling and Toyota Fleet Management – offers Australia's most complete fleet solution. That means larger operators can now source and have all fleet needs managed – across trucks, cars, luxury vehicles, forklifts, finance and more – from one central source.

SUPPORT SOLUTIONS WITH MORE FOR YOU

For over 50 years Hino Australia have been synonymous with supplying tough reliable trucks. Trucks that represent great value over the long run. Now Hino Advantage makes buying a Hino an even better business decision. Why? Because we've designed our support solutions with the same rigour we do our trucks. Everything from our **Business Solutions, Hino QDR, Service, Parts, Finance, Toyota Group** and our **Care Centre**. These have all been developed to provide you with great servicing deals, advanced operational technology, emergency help or fleet structuring, plus, we can even help streamline your business, reduce costs and keep you on the road, operating more efficiently, for longer. What support solutions are with you for the whole of life of your truck? That's Hino Advantage.
